Entry to Senior Level Landscape Designers, Project Managers

Starr Whitehouse, an award-winning landscape architecture and planning practice based in New York, NY, Hudson, NY, and Atlanta, GA seeks super-smart, talented and motivated landscape designers at all levels. Join any of our three offices as we tackle exciting projects addressing climate-change, urban design, resiliency and green infrastructure, park design, multi-use trails, open space equity, community resilience, and multifamily housing. We work with internationally acclaimed architects and engineers and foster a creative, energetic atmosphere that is challenging to our employees and attentive to their quality of life.

Ideal candidates will be top-notch designers with a passion for solving the biggest challenges in the field today, exceptional graphic skills, sound judgment, and knowledge of ecological and sustainable principles of landscape architecture.

Desired Qualifications:

- Design talent
- English Fluency
- Strong proficiency in AutoCAD
- 3D modelling
- Mastery of Adobe Creative Suite and Microsoft Office
- Strong verbal and written communication and organizational skills
- Driver's license a plus
