Senior Urban Designer – 3-5 Years Experience

Starr Whitehouse, an award-winning landscape architecture and urban planning practice based in New York, NY, with offices in Atlanta, GA and Hudson, NY, seeks a motivated urban designer with 3-5 years of experience for our New York office. Starr Whitehouse's current projects address climate change, urban design, streets and public spaces, resiliency, park design, open space equity, and multifamily housing. We collaborate with internationally acclaimed architects and engineers and foster a creative, energetic atmosphere that is challenging to team members and attentive to quality of life.

We are looking for an urban designer to work with teams throughout the office to conceptualize urban projects, communicate design ideas visually, verbally, and in writing to a variety of audiences, and organize teams to create project deliverables. This position will involve planning and implementing public engagement strategies for a variety of project types, so familiarity with urban systems, governance, and development processes in New York City is helpful. The designer will periodically support design production for public space, parks, and landscape architecture projects.

Required Qualifications:

- Professional degree in Landscape Architecture or Architecture
- 3-5 years professional experience with design of the urban environment

Skills:

- Ability to independently conceptualize project deliverables, conduct urban design analysis, create planning frameworks and schematic design, produce urban design graphics, and create and edit presentations (Adobe Suite).
- Strong communication and writing ability.
- 3D modelling and visualization (Rhino, Lumion, Grasshopper)
- Experience with project management and coordinating interdisciplinary teams including project planning and scheduling.

Additional Specializations to Tell Us About:

- Mapping and data analysis (ArcPro, PostgreSQL, R, Python)
- Climate analysis (Climate Studio, Ladybug, etc.)

This is a full-time, in-office position, with an option for some remote working days. Estimated salary range is \$95,000 to \$110,000 based on ability and relevant work experience. Offered benefits include medical, dental, and vision insurance, 401(k), commuter benefits, and paid holidays. Starr Whitehouse is an equal opportunity employer and invested in diversity, equity, and inclusion. Please apply with a **cover letter, resume, portfolio of work under 10mb, and a writing sample no more than 500 words** to jobs@starrwhitehouse.com with Senior Urban Designer_ *Your Name* in the subject line. No phone calls please.
