Landscape Designer/Architect – NYC Office – 3-5 Years of Experience

Starr Whitehouse is a landscape architecture, planning, and urban design firm with offices in New York, Atlanta, and Hudson. Our mission is to shape beautiful and resilient civic spaces that connect people to nature and each other. Our work addresses climate change, resiliency, park design, open space equity, urban design, streets and public spaces, green infrastructure and multifamily housing on projects across New York State and beyond. We collaborate with internationally acclaimed architects and engineers and foster a creative, energetic atmosphere that is challenging to team members and attentive to quality of life.

Our team seeks a motivated landscape designer or landscape architect with 3-5 years of experience for our New York City studio. This position will work with teams across all three Starr Whitehouse offices, contributing to the design and production of projects. The ideal candidate is a talented designer with a passion for solving the biggest challenges facing the field today, attention to detail, sound judgment, and a familiarity with ecological and sustainable principles of landscape architecture.

Qualifications:

- Professional degree in Landscape Architecture preferred
- 3-5 years of experience working in a professional design office
- Ability to express design prompts verbally and graphically

Core Skills:

- Passion for design
- Strong desire to learn, engage with others, and build technical knowledge
- Ability to clearly translate and elaborate on design ideas from others
- Ability to efficiently produce accurate and high-quality drawings
- Excellent written and verbal communication skills (English fluency)
- Excellent organizational skills
- Basic understanding of project budgets and their relationship to individual effort
- Strong proficiency in AutoCAD, 3D modelling, Bluebeam Revu, visualization and creating presentations (Rhino, Lumion, Grasshopper, Adobe Creative Suite)

Additional Skills:

- Experience with all phases of design from schematic design through construction administration a plus
- Experience with public agency / municipal submissions and approvals
- Experience with project management, both client-facing and as an internal leader
- Ability to craft project work plans, delegate design tasks, and ensure project progress is on time and within budget
